If you want to succeed in life, you have to know what you want, when you want to have it, why and how you intend to get it. You can make it happen, but too often we stand in our own way. Our keynotes and workshops will help you to understand the Universal Principles of commanding abundance, removing obstacles, and achieving your desired outcomes.

Personal Branding for Impact

Establishing your personal brand is a requirement in today's business arena. In this workshop, you will learn how to identify your brand and increase your ability to close deals through relationship building, networking confidence, and creating opportunities.

Body Language Speaks

This workshop will demonstrate how to control and align your non-verbal cues with your personal brand and increase your ability to "navigate the room" with ease and confidence.

Rainmaking

Establishing your personal brand is a requirement in today's business arena. In this workshop you will learn how to identify your brand and increase your ability to close deals through relationship building, networking confidence, and creating opportunities.

As an author, certified seminar leader and inspiring dynamic keynote speaker, Sara shares practical tools that inspire confidence and give people clarity and power to achieve their fullest potential.

Sara addresses thousands of people annually at workshops, keynote presentations, corporate training seminars and conferences, producing immediate and lasting results.

The Power of Influence

Learn to avoid hidden challenges that might inhibit your ability to influence. We will demonstrate how to exhibit leadership with indirect authority, and create with a "tool kit" to maximize your personal power.

Present with Power

Overcome the fear of public speaking and present with confidence. In this workshop, seasoned presenters will demonstrate how to take your delivery to the next level.

Sara's recent book, **You've Always Had The Power**, *Igniting Your Mindset, Power, Influence & Income* is a life changer!
